

COMMERCE, JUSTICE, SCIENCE FY2010

Gallia County Information Management System

Gallia County Engineer

1167 State Route 160

Gallipolis, Ohio 45631

\$200,000

The recipient believes this is a valuable use of the taxpayers' money because providing geographic information to the public through the internet will make Gallia County more marketable to expanding businesses. However, the county has not been able to modernize its system because digitizing records is time-consuming and costly.

Gallipolis Police and Fire Departments Communication and Interoperability-Phase 2

City of Gallipolis

Project Phase 2

518 Second Avenue

Gallipolis, Ohio 45631-1219

\$150,000

The recipient believes this is a valuable use of the taxpayers' money because it will be used for creating a city-wide emergency radio communication system. This system would allow for instantaneous voice and data exchange between the police and fire departments as well as street, water and sewer departments, for example. It would also create a more direct communication link between Gallipolis and the Ohio Multi-Agency Radio Communication System (MARCS).

Jackson Township, Mahoning County Police Facility Upgrade

Jackson Township Police Department

PO Box 400

21 West Boardman Street

North Jackson, Ohio 44451

\$155,000

The recipient believes this is a valuable use of the taxpayers' money because it will provide a much needed upgrade for the Jackson Township Police facility. The fire, police, and water departments would all benefit from this necessary upgrade of facilities, which serve all the residents of North Jackson and surrounding fire protection areas in Mahoning County.

Lawrence County Interoperable Radio/MARCS Communications Project

Lawrence County Sherriff and 911 Center

115 South Fifth Street

Ironton, Ohio 45638

\$300,000

The recipient believes this is a valuable use of the taxpayers' money because it will be used for creating a city-wide emergency radio communication system. This system would allow for instantaneous voice and data exchange between the police and fire departments as well as street, water and sewer departments, for example. It would also create a more direct communication link between Lawrence County and the Ohio Multi-Agency Radio Communication System (MARCS).

Lawrence County Prosecutor, Investigator of Crimes against the Elderly

Lawrence County Prosecutor

#1 Veteran's Square

Ironton, Ohio 45638

\$34,000

The recipient believes this is a valuable use of the taxpayers' money because when the elderly are victims of neglect, abuse, and fraud it often goes unreported. With more investigation comes more awareness, and more awareness of the issue will help the growing elderly population in the county.

Marietta Community Access Network

City of Marietta

301 Putnam Avenue

Marietta, Ohio 45750

\$470,000

The recipient believes this is a valuable use of the taxpayers' money because it will provide broadband access to the city of Marietta. The lack of broadband coverage in the area is widely viewed as hindering business growth. This project will serve as an example to the surrounding communities on how to implement wireless access.

Marietta Municipal Court Records Maintenance and Storage

Marietta Municipal Court

PO Box 615

301 Putnam Street

Marietta, Ohio 45750

\$200,000

The recipient believes this is a valuable use of the taxpayers' money because the Clerk's office and records storage are fundamental and essential components of court operations.

New Technology for Village of Flushing Police Department

Village of Flushing Police Department

329 High Street

Flushing, Ohio 43977

\$40,000

The recipient believes this is a valuable use of the taxpayers' money because it will allow local law enforcement personnel to bring their operations up to date with modern technology. The department will be able to better protect and serve the Village of Flushing.

'Resource Center' programs for At-Risk Youth

The Family and Community Resource Center of Columbiana County

1413 Andrew Avenue

Salem, OH 44460

\$6,000

The recipient believes this is a valuable use of the taxpayers' money because this rural Appalachian community is experiencing high levels of generational poverty and drug and alcohol use. The community will benefit from programs offered through the Resource Center, which include workshops on NCLB, IDEA, transitional needs of children. In addition, the Center will offer referrals to fill service gaps.

Salem Area Industrial Park

City of Salem

231 South Broadway Avenue

Salem, Ohio 44460

\$850,000

The recipient believes this is a valuable use of the taxpayers' money because the creation of an industrial park will help attract new businesses. This will help create jobs.

Shifting Perspectives

Lamb's House, Inc.

PO Box 82

Leetonia, Ohio

\$5,000

The recipient believes this is a valuable use of the taxpayers' money because it will save money at state and local correctional facilities. The Lamb's House's rehabilitation and career training programs will help break the cycle of repeat offenders.

Toronto Chamber of Commerce Building Revitalization

Toronto Chamber of Commerce

PO Box 158

214 Main Street

Toronto, Ohio 43964

\$150,000

The recipient believes this is a valuable use of the taxpayers' money because it will revitalize a commercial property in the downtown area, which will help to improve the entire community. The group will offer business education and networking opportunities.

Tri-County Help Center Prevention Helpline

Tri-County Help Center, Inc.

104 ½ North Marietta Street

St. Clairsville, Ohio 43950

\$27,000

The recipient believes this is a valuable use of the taxpayers' money because it will aid victims of domestic violence and sexual abuse. This Helpline serves three counties in the Sixth District: Belmont, Jefferson and Monroe.

Washington County Sheriff's Office Aircraft Engine Replacement

Washington County Sheriff

205 Putnam Street

Marietta, Ohio 45750

\$325,000

The recipient believes this is a valuable use of the taxpayers' money because it will fund the purchase of a new engine for the Washington County Sheriff's aircraft. Without a replacement engine, the Sheriff will be forced to permanently ground the aircraft. Grounding the aircraft would leave the county, along with several other Southeastern Ohio counties, without aerial support in times of need.
